20th Meeting of the FIMAM

November 23rd-24th, 2017

Casa Árabe

C/ Alcalá 62, 28009, Madrid

The Research Forum on the Arab and Muslim World (FIMAM, by its acronym in Spanish) is organizing its 20th meeting on November 23rd-24th, 2017. With the purpose of commemorating this 20th anniversary, which coincides with the 10 years anniversary of Casa Árabe, the meeting will be preceded by a special day of conferences that will review the current state of affairs of the studies on the contemporary Arab world.

As in previous editions, this event is conceived as an informal meeting among researchers in Spain, open to researchers from other countries as well. The researchers can present projects in their initial stage, ongoing researches or finalized studies. A table will be held for PhD Thesis in their initial stage in order to allow the researchers to receive opinions and advice from senior academics.

The tables will be held mainly in Spanish, with no available interpretation, but interventions in other languages may be considered.

The deadline for the reception of proposals (of no more than 300 words) will be Sunday, **1st October 2017**. The proposal must include the following information:

- Name of the author
- Title of the communication
- Abstract (max. 300 words)
- Keywords (max. 5 words)
- Stage of the research: initial, ongoing or finalized.
- Discipline of the communication

Interventions: Every speaker on the table will have 15 minutes to present their project. The tables will include time for Q&A and further debates.

Accommodation and catering: A list of recommended accommodation facilities and restaurants in Madrid will be distributed once the CfP is completed.

A joint dinner on the first or second night of the meeting will be organized. More details to follow. The people interested in attending the dinner will need to send a confirmation email to the Board.

Presentation and books sales: The FIMAM meeting is a good opportunity to publicize the participants' publications. A table will be available to those interested in showing or selling their books.

Contact: The participation applications, communication proposals or any other suggestions must be sent to the email info.fimam@gmail.com. Do not hesitate to contact the Executive Board if you have any questions, suggestions or comments.

Kind regards,

FIMAM Executive Board
